FOOD & BEVERAGE INFO

All events come with a set F&B minimum based on its duration. PKL also offers enhanced Beverage options in the form of Open Bar packages.

Food & Beverage Minimums:

The Food & Beverage minimums are our lowest cost option, and allow Events to allocate how they like between food and beverage. All food would be planned in advance and pre-ordered, and beverages would be charged on a consumption basis during the event.

For a lighter/appetizer style menu, we recommend \$25-30pp in Food

For a more full menu, we recommend \$35-40pp in Food

Beverage Packages:

For those looking to offer an unlimited Open Bar package, PKL offers them starting at 2 hours in length, with additional increments of 30 minutes. If you choose to have a Beverage Package, your Event would still need to meet the F&B minimum listed.

Beer/Wine/Seltzer/NA:

\$30pp for 2 hours
(see page 11)

Full Open Bar:

\$40pp for 2 hours
(see page 12)
